Descripció

AIM: We wish for students to recognize that we can decorate our festivities with materials from the forest (leaves, sticks, tree bark, little stones, etc.)

OBJECTIVES:

- Students will learn how to construct a natural bird feeding station.
- Students will practice their English vocabulary and oral competence.
- Students will understand the cyclic nature of forests (how food is produced and consumed in the forest).

MATERIALS:

- Bags for collection
- Glue
- Holiday lights
- cord for trees
- 10cm x 30cm tree trunk (tío)
- foam patterns for trees.
- dried leaves from forest
- sticks of different diameters and length from forest
